Hi Kelley,

Hope all's well! I was informed that there is a typo on the postcards that will arrive at Naperville PD tomorrow. They say "recieve" instead of "receive"! Sorry about that. I've ordered replacement postcards for you and they should arrive next week.

The flyers look good to go however; those arrive tomorrow as well.

Best,

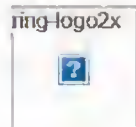

Sami

## 11 Home Burglaries in North Naperville

October 4, 2019

Naperville police are warning residents – especially those on the north side of town – to lock their patio and garage doors to avoid break-ins after several reported burglaries. Police said personal items of value have been stolen during 11 burglaries in north Naperville since June 20. One attempted burglary in the same area also fits the pattern. Police have suspect information and are investigating leads about the burglaries, seven of which occurred in the area north of the Burlington Northern Santa Fe railroad tracks and east of Washington Street. But no one has been charged or cited. Due to the home burglaries all over Naperville, residents are encouraged to keep doors and windows locked, to close garage doors, especially overnight, and to maintain sufficient lighting outside and inside the home.
